APOLLO

What will APOLLO do? Why it will clean paint, make oil-cloths bright,
 and give the floors, tables and shelves a new appearance. It will take the
 grease off the dishes and off the pots and pans. You can scour the knives and
 forks with it, and make the tin things shine brightly. The wash-basin, the
 bath-tub, even the greasy kitchen sink will be as clean as a new pan if you use
 APOLLO. One cake will prove all we say. Be a clever housekeeper and try it.

WINTER SUITS AND OVERCOATS. TO-DAY.

Men's, Boys' and Children's Fine Clothing.

Don't be lousy. Popular by the dictates of fashion. We are tightening our grip on the trade of the town. The inspection of our stock prompts pleased exclamations of surprise and to see us to buy, from the fact that there is no stock in Portland worthy of comparison with ours.

Increased Crows and Increased Sales Show It.

The public are tired of having to look over "Accumulations," "Job Lots" and "Bankrupt stocks" (even if they are sold on the sliding-scale system or at 50 cents on the dollar the whole year round), they prefer to buy guaranteed goods that are new and fresh, correct in style and at prices that are lower than any retailer's on this Coast.
